EXPERIENCE

- **Worked at Khanda Village**
 - I visited Khanda village along with my classmates and teachers.
 - I personally met the people there and had a great experience knowing them and the culture.

- **Calligraphy Designer**

- I love Calligraphy and also have an advanced degree in Calligraphy
- Designed much social media content.
- Derived visual quality identity and guidelines for people.

MY ASPIRATIONS

- When I visited Khanda village I observed that most of the villagers are illiterate and unable to represent themselves.
- I want to bring these major problems of such people and communities to come in front of the managing bodies by becoming their representative and working on their development.
